*Your matchup each week will be best out of 5.

First 4 games to 25 (Capped at 27) and the 5th will be to 15 (Capped at 17).

*The Final 2 weeks of the regular season we will play best out of 3. Keep an eye out for when your team plays during those weeks because you may not play both time slots.

*Once a team wins 3 sets, the official will turn in their scoresheet.

The two teams can chose to scrimmage the rest of their 5 game series but no official score will be kept and they will have no impact on the standings
