

Adult Kickball Frequently Asked Questions (FAQ's)

Do I just show up? You can, but we encourage everyone to register through this link https://apm.activecommunities.com/batesvilleparks/Activity_Search so we have a good feel for how many participants will be there each night.

Why are we doing this? We would like to eventually form a kickball league for this area but need to grow awareness of the sport and train potential umpires. While mostly everybody has played kickball in their life, they typically do not continue that into adulthood. It is still just as fun if not more and a great team building activity for co-workers, church members, etc.

How old do you have to be? Adult Kickball is a sport for people 18 years and older.

Is it offered for men and women? Adult Kickball is a COED sport with COED rules. See the rulebook on the webpage to find out exactly what they are.
